The Product

This famous 42” cast iron wood lathe, long established in workshops throughout the world, is updated and re-launched and is exclusively available from Technology Supplies Limited.

Features

- Solid Cast Iron construction
- Variable speed inverter
- Solid tool rest
- Large diameter headstock spindle
- Heavy duty bearings
- The re-design incorporates a variable speed inverter drive so speed selection is simply achieved by rotating a control knob
- Safety features include a non-latching foot stop

Included

Supplied with toolkit containing: 32mm AF Spanner, Knock out bar, 6” dual thread face plate, 2MT revolving centre and 2MT drive centre, handbook and spindle nose cover.
